Notes: 1/ Water right for Tract 178 was decreed to use Diversions #2 and #3.								
2/ Water right for Tract 180 was decreed to use Diversion #4.								
3/ Water right for Tract 183 was decreed to use Diversion #5.								
4/ In 1983, C. Raney sold water right (0.6 cfs 3rd priority, and 1.4 cfs 4th priority) for Tract 175-1 and -2 (Taylor Ditch #1) to Espil Sheep Co. for use on Tract 182. Espil Sheep Co. also purchased Tract 175-2.								
5/ 10 % channel loss was given to Tracts 184 and 185-2 because diversion and measuring device were moved upstream for convenience as requested by watermaster (date unknown).
